

DORR ROAD BRIDGE REPLACEMENT OVER HAYMARSH CREEK

BRIDGE REPLACEMENT | AUGUST 2024 – NOVEMBER 2024

WHAT IS BEING DONE?

As part of the innovative [Local Agency Bridge Bundle Program](#), the Dorr Road Bridge over Haymarsh Creek will be removed and replaced with a new bridge. This improvement also includes pavement reconstruction at the approach.

WHEN WILL THIS BE DONE?

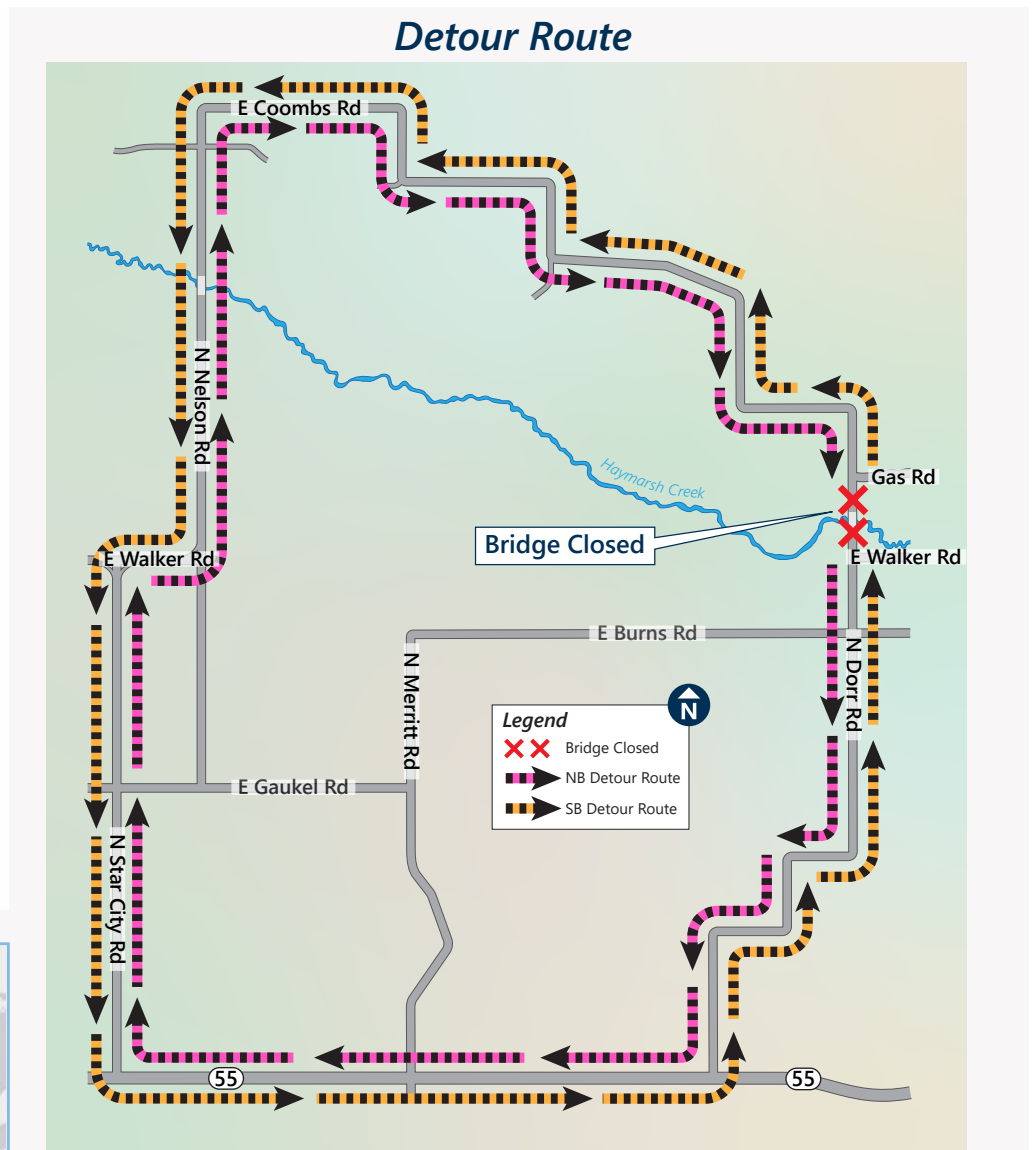

Construction is expected to begin mid-August 2024 and be completed by November 2024.

HOW WILL TRAFFIC BE AFFECTED?

Dorr Road will be closed from E Walker Road to Gas Road for construction and detoured.

Northbound traffic will be detoured on M-55 to Star City Road to E Walker Road to Nelson Road to E Coombs Road and back to Dorr Road. 

Southbound traffic will be detoured on Dorr Road to E Coombs Road to Nelson Road to E Walker Road to Star City Road to M-55 and back on to Dorr Road.
